

DOT SUPERVISORY TRAINING - SUBSTANCE ABUSE RECOGNITION

FRIDAY, APRIL 4, 2008

8:30-11:00 AM

DCA BOARDROOM

Cost: \$50.00 per person

The two and a half hour training program is an interactive format with six scenarios related to the construction industry, in which key points are emphasized in how to recognize and handle reasonable suspicion of drug abuse. The objective is for a supervisor to leave class confident that they know what to do—and what not to do—according to Federal and DOT Motor Carrier regulations. **NOTE: DOT requires that supervisors be trained at least once in their career, and this training should be documented and kept on file.**
